The issue of Jammu and Kashmir is being discussed between India and Pakistan within the framework of the Composite Dialogue. Our consistent position in these talks has been that Jammu and Kashmir is an integral part of India. There can be no redrawing of borders and the settlement of the issue of Jammu and Kashmir can be achieved through dialogue. Any re-deployment of security forces within the country is a sovereign decision of the Government of India based on its own assessment of the prevailing security situation. Jammu and Kashmir already enjoys autonomy under the Indian Constitution and has in place a democratically elected Government.

India is committed to resolving all outstanding issues with Pakistan bilaterally and peacefully in accordance with the Simla Agreement. The Government intend to continue with the present process of confidence building, cooperation and dialogue in an atmosphere free from terror and violence.
